

Students for Zero Waste Week Challenge

April 23-27, 2018

Students for Zero Waste Week invites you to take the **Zero Waste Week Challenge** to reduce waste at your school, in your community and at home. The list below is not complete. Can you think of other ways to reduce waste and help keep our Great Lakes and Oceans clean?

- Replace single use plastic items (such as drink bottles, sandwich baggies, snack bags, spork packs, etc.) with reusable alternatives
- Use cloth napkins instead of paper
- Step up your recycling and composting efforts
- Replace single use condiment packets with bulk dispensers
- Replace plastic straws with paper straws or consider not using straws
- Power down your computers and other electronic devices when not in use
- Refuse products containing microbeads
